Greg -

I wanted to take a second and follow up on your offer to organize a staff briefing on Pebble next week at EPA. Our schedule is starting to get busy and this meeting is our biggest priority so I want to make sure I leave time to make it happen.

Right now the 21st is pretty open but we would rather not do 10 -11 AM. The 22nd is great for us except for 3 - 4 PM.

Thanks again and please do not hesitate to call if you need additional information.

Best,

Shoren Brown
